

ADDITIONAL REGULATIONS NOTICE INFORMATION
(AS 44.62.190(d))

1. Adopting agency: **Local Boundary Commission**
2. General subject of regulation: **Municipal incorporation, annexation, detachment, merger, consolidation, dissolution, and city reclassification**
3. Citation of regulation (may be grouped): **3 AAC 110.005 – 3 AAC 110.990**
4. Reason for the proposed action:
 - A. Substantial housekeeping amendments throughout the provisions in 3 AAC 110 to eliminate ambiguities in terminology and to refine procedures for municipal incorporation, annexation, merger, consolidation, detachment, dissolution, and city reclassification;
 - B. addition of a new provision in 3 AAC 110 establishing community standards for city incorporation;
 - C. addition of new provisions in 3 AAC 110 establishing standards for the best interests of the state relating to city and borough incorporation and annexation;
 - D. addition of a new provision in 3 AAC 110 establishing new procedural requirements for legislative review annexation proposals; and
 - E. amendment of 3 AAC 110.150 for cities and 3 AAC 110.210 for boroughs to expand procedures for local action annexation by allowing annexation upon approval by a majority of the combined voters who vote on the question in the area proposed for annexation and the annexing municipality; or by a majority of the voters who vote on the question in the annexing municipality if the territory proposed for annexation is uninhabited.
5. Program category and BRU affected: **CBD Operating – Community Assistance and Economic Development BRU (405)**
6. Cost of implementation to the state agency and available funding (in thousands of dollars)

NONE
